Dear Patron,

Thank you for your support of Auckland Tennis. We look forward to welcoming you to international tennis at the ASB Tennis Centre.

We would like to take this opportunity to outline information to you concerning your ticket and the stadium.

### Conditions of Ticket Sale

Your Ticketek ticket has certain conditions of sale printed on its reverse side. Those conditions are valid for international tennis events at the ASB Tennis Centre. **All tickets must be scanned on entry and exit.** In addition, the following conditions also apply to the sale and purchase of your ticket:

Play may be cancelled or rescheduled due to weather or circumstances beyond the promoter's control. Such actions shall not entitle a ticket holder to make any claim for refund of ticket price except as outlined below. Any decision regarding extension of the validity of a ticket in the event of cancellation or rescheduling of play shall be entirely at the discretion of the tournament organizers. **Your ticket is valid only for the date and session of play for which the ticket has been issued**, not for any particular match. A refund of 50% of a ticket price will be given under the following conditions:

There is less than one hours play on the **date** your ticket is valid according to the official time sheet of the tournament referee. Box tickets, five-year, tournament and season tickets do not qualify for the refund policy.

Applications for refunds must be made in writing to Auckland Tennis, PO Box 2905, Auckland, with the tickets attached on or before 31 March 2007. No refunds will be made over the counter.
